4. Winter Event Finalization Procedure

Procedure guidelines were sent to members prior to today’s meeting.

Procedures include:

- Each campus will have a representative present their monthly winter 2021 calendars
- Breakout rooms will be provided for each campus, including their Operations Manager. Campuses will go to their individual breakout room following each campus’s monthly presentation and choose what they consider to be the best two events from the other two campus’s presentations. This will be done for the months of January, February, March and April (April will be limited to three events since it is a short month)
- Following each month’s presentations, campuses will return to the main room and present chosen events.
- At the end of the session, all calendars will be collected to determine the final winter calendar
- The final calendar will be sent out to members prior to the holiday break to provide enough time to prepare prior to returning in January
- Events should be focused on the SSF’s mission, vision and values

3. Adjournment

It was MOVED by Nicole Alvarez, and SECONDED by Sanjoli, “that no further business is to be discussed and this meeting is adjourned at 7:45 p.m.”.
