6. Member Reports

a) Palak Chawla

Palak provides a verbal Newnham campus report. A question and answer period follows.

b) Dina Yehya

Dina provides a verbal King campus report. A question and answer period follows.

7. Club Committee Report

In Tee Dang's absence, Roel Isufflari provides a Club Committee report. A question and answer period follows.

8. Increase in Remuneration for President, Vice Presidents and Coordinators

Since increases have not been addressed in the last few years, Palak suggests an increase in remuneration for the President, Vice Presidents and Coordinators. It is suggested that this be implemented for the 2022/2023 members.

This item will be brought forward to the incoming SSF Board of Directors to be voted on.

9. Other Business

a) Newnham Construction

Mario informs members that the college has approached the SSF to participate in the Senecentre build at Newnham. Construction is expected to begin in May 2023.

Beginning May 2022, planning will begin and will include analysis, construction budget, new operating agreement, etc. Where the SSF will conduct business during construction will also need to be determined.

Since it doesn't make sense to update Metro Grill at this time, with the pending construction, it is unlikely the food service will be open for 2022/2023.

Ritik will organize a survey to determine what students would like to see in the new student centre.

b) Markham Campus

At this time, 36% of Markham students will be on campus for the summer semester. An update on this number is expected next week.

10. Date and Time of Next Meeting

TBD

11. Adjournment

It was MOVED by Palak Chawla, and SECONDED by Dina Yehya, "that no further business is to be discussed, and this meeting is adjourned at 12:06 p.m.".
