STUDENT DEVELOPMENT GRANT
Policy & Procedures

The Seneca Student Federation is the proud sponsor of the Student Development Grant. The Student Development Grant was established to help reduce the financial burden, within reason, of those students attending professional development opportunities beyond the college. PD opportunities can take many forms including attending a career, industry or association-related conference, seminar, workshop, humanitarian project, competition, presentation.

Mandate

The Seneca Student Federation are committed to the professional development of students by supporting learning opportunities outside the classroom. The Student Development Grant committee reviews applications and decides on grants according to the principles, policies and procedures set out in this document.

Guiding Principles

The following principles guide the Student Development Grant program:

- Fair, transparent and accessible to all full-time day students registered in a Ministry of Training, Colleges and Universities approved full-time post-secondary certificate, diploma, advanced diploma, graduate certificate, or degree program.
- Support the development and improvement of the student experience.
- Provide meaningful and valuable learning opportunities.

Eligibility Requirements

An applicant must meet the following requirements:

- Must be a Seneca College full-time, day student registered in a Ministry of Training, Colleges and Universities approved full-time post-secondary certificate, diploma, advanced diploma, graduate certificate, or degree program.
- Must be in good standing at the college and able to represent Seneca in the larger community.
- The host of the event must be a recognized organization. Both the organization and the opportunity must be supported by documentation (i.e. documentation may include a conference or workshop brochure, event invitation, website, etc.).
- The event must be aligned to the student's program and area of current study and have the support of a Faculty representative, if appropriate.

- The activity must achieve learning objectives as identified in the Student Development Grant Student Application form.
- The student, SDG committee and the staff/faculty reference must agree that the event benefits the student, is study and career-related and provides value for the cost.
- A student participant, under the age of 18 years may require parental consent.
- Proof of attendance as well as a post-event testimonial/report must be submitted within 30 days of the event.
- Priority will be given to those students who are first time applicants. Only events in the semester the student applies or in the semester immediately following the application, will be considered, unless the student is graduating. Students graduating may not apply for funding for an event following their last semester.
