1. Call to Order

The meeting is called to order at 12:35 p.m.

2. Overview of Tuition and Ancillary Fees 2023/2024 Update

The 2023/2024 fees have been approved by the Seneca College Board of Governors.

Today's report is on the general overview of fees going forward for 2023/2024; student awareness, in particular, international students; and when fees are due. The SSF's recommendations were considered when decisions were being made. Looking towards 2024/2025, the process for fees will begin in summer 2023.

Cindy Fong provides a PowerPoint to review the process and the current status. Currently, the college is waiting for the Ministry to share information on whether domestic tuition will be frozen or if there will be changes. A copy of Cindy's presentation will be provided to members. By early February all details will be posted regarding tuition fees, however, it is challenging since confirmation on domestic fees are

not yet known. The college wants to communicate with both international and domestic students at the same time.

If possible, Christine and Cindy would like to provide an overview of tuition and ancillary fees for the incoming 2023/2024 Council during May's leadership training. Ritik and Mario will reach out to Christine and Cindy regarding May's training.

Christine Blake and Cindy Fong leave meeting at 1:05 p.m.

3. Adjournment

It was MOVED by Dina Yehya, and SECONDED by Akarshannoor Singh, "that no further business is discussed and this meeting is adjourned at 1:15 p.m."
